CAUTION

Precautionary Statements

Before using this product, read the entire label.

IMPORTANT: Do not apply this product to water intended for direct human consumption. Do not use this product in streams, rivers or other bodies of water which are not under the control of the user. Only use this product in accordance with local, state and federal regulations.

FIRST AID

If Swallowed:	Do not induce vomiting unless directed to do so by medical personnel. Seek medical attention immediately.
If in Eyes:	Flush with plenty of low-pressure water.
If on Skin:	Wash exposed areas with soap and water.
If Inhaled:	This material is not expected to be an inhalation problem.

Have the product container or label with you when calling a poison control center or doctor, or going for treatment. In case of emergency, endangering health or the environment involving this product, call **INFOTRAC** at **1-800-535-5053**.

STORAGE AND DISPOSAL

Keep from freezing. Freezing can cause container to rupture. Store in a cool dry place. Keep product closed tight when not in use. Non-refillable container. **DO NOT** reuse or refill this container. Triple rinse container (or equivalent) promptly after emptying; offer for recycling, if available.

Warranty Disclaimer: SePRO Corporation warrants that this product conforms to the chemical description on the product label. Testing and research have also determined that this product is reasonably fit for the uses described on the product label. To the extent consistent with applicable law, SePRO Corporation makes no other express or implied warranty of fitness or merchantability nor any other express or implied warranty and any such warranties are expressly disclaimed.

Misuse: To the extent consistent with applicable law, the buyer assumes responsibility for any adverse consequences if this product is not used according to its label directions. To the extent consistent with applicable law, in no case shall SePRO Corporation be liable for any losses or damages resulting from the use, handling or application of this product in a manner inconsistent with its label. For additional important labeling information regarding SePRO Corporation's *Terms and Conditions of Use, Inherent Risks of Use and Limitation of Remedies*, please visit <https://seprolabels.com/terms>.

QUICK FACTS:

- Reduce organic matter and excess nutrients available for algae and plant growth, improving water quality.
- Reduces odors in lakes and ponds
- A blend of beneficial microbes and enzymes.

WHAT IT DOES

A ready-to-use liquid of beneficial bacteria, specifically formulated to decrease organic matter in lakes and ponds.

WHERE TO APPLY

Suitable for application in enclosed waterbodies, such as ponds and lakes.

WHEN TO APPLY

Seasons to apply are spring, summer and fall.

HOW TO USE

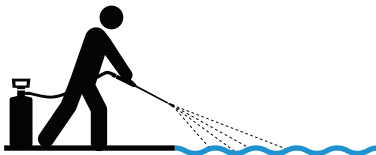

This product mixes readily with water. Mix your Bacti-klear desired amount of product at a mixture rate of 50/50

Close sprayer and shake/swirl well.

Slowly walk around your shoreline spraying directly over the surface of your waterbody.

Start-Up Applications

Apply specified dose every 30 days until desired level of organic matter reduction is achieved.

Maintenance Applications

Apply specified dose every 30 to 60 days to maintain desired appearance.

Start-up Applications (Gal. per Acre-ft.)	Maintenance Applications (Gal. per Acre-ft.)
3	1.5

Determine the volume of the water to be treated in Acre-Feet:

- Length (ft.) x Width (ft.) / 43,560 = Surface Acres
- Surface Acres x Average Depth = Acre-Feet
